MEMORANDUM

SUBJECT: Polygraph

Polygraphing of American citizens will be restricted to those

25X1 who are CIA employees Requests for the

polygraphing of other U.S. citizens will be subject to the approval

of the Director and conducted only by transfer of the CIA personnel

and equipment to another agency under a clear written request for

the use of the service under the other agency's authority and on

a voluntary basis by the subjects concerned. No polygraphs will

be provided to local police or other officials.
